"Touch My Body" by Mariah Carey is the WORST song I have heard by Mariah Carey.. no scratch that… it is the worst song ever. She is singing all seductively but than just so he knows who is boss she sings "I will hunt you down". Jeez… what a charming woman. I can't understand her most of the time she is singing. I literally had to look up the lyrics so I could understand what she was singing. I mean she has an awesome voice but this was just wrong. The lyrics, her singing it, just all of it was wrong. I think it is really annoying and her trying too hard to be sexy. It's just not. I hate to be so mean, but she is an amazing singer and she wasted her talent on this song. Many people like this song, it was the number one spot on itunes. And it is new so they play it all the dang time on the radio. Not only is it on the radio but it is all over YouTube even thought she sings "I best not catch this flick on YouTube". Ha-ha.

The music video is a nerd that comes to fix Mariah's computer. And as soon as he gets there (she answers the door in her underwear) she tells him to hurry and calls him a nerd. That is just part of her charm. Then the nerd has this fantasy about Mariah Carey singing "Touch My Body" and them having the love affair. They even are walking a unicorn and rolling on the floor. He is still a nerd in his fantasy, I mean why didn't he make himself buff or good looking or something. People who date and then marry people like Nick Cannon (babe) don't date or have an affair with nerds like this guy. But of course he is dreaming it and it snaps back into reality. It is funny but it doesn't make up for the awful song. Hopefully, the rest of the songs on E=MC2 (the name of her latest album) are better than this one. I really don't see how they can be much worst. I just don't see how you can go to really great like "We Belong Together" and "Shake It Off" to "Touch My Body". Oh well I guess she can have one bad song.

Here are the lyrics for "Touch My Body":

MC, uh, uh, uh In the place to be

Oh yeah, oh yeah, oh yeah, oh yeah, oh yeah

Oh yeah, oh yeah, oh yeah, oh yeah

I know that you've been waiting for it

I'm waiting too

In my imagination I'd be all up on you

I know you got that fever for me

Hundred and two

And boy I know I feel the same

My temperature's through the roof

If there's a camera up in here
Then it's gonna leave with me
When I do (I do)
If there's a camera up in here
Then I'd best not catch this flick
On YouTube (YouTube)
'Cuz if you run your mouth and brag
About this secret rendezvous
I will hunt you down
'Cuz they be all up in my business
Like a Wendy interview
But this is private
Between you and I

Touch my body
Put me on the floor
Wrestle me around
Play with me some more
Touch my body
Throw me on the bed
I just wanna make you feel
Like you never did.
Touch my body
Let me wrap my thighs
All around your waist
Just a little taste
Touch my body
Know you like my curves
Come on and give me what I deserve
And touch my body.

Boy you can put me on you
Like a brand new white tee
I'll hug your body tighter
Than my favorite jeans
I want you to caress me
Like a tropical breeze
And float away with you
In the Caribbean Sea

If there's a camera up in here
Then it's gonna leave with me
When I do (I do)
If there's a camera up in here

Then I'd best not catch this flick
On YouTube (YouTube)
'Cuz if you run your mouth and brag
About this secret rendezvous
I will hunt you down
'Cuz they be all up in my business
Like a Wendy interview
But this is private
Between you and I

Touch my body
Put me on the floor
Wrestle me around
Play with me some more
Touch my body
Throw me on the bed
I just wanna make you feel
Like you never did.
Touch my body

Let me wrap my thighs
All around your waist
Just a little taste
Touch my body
Know you like my curves
Come on and give me what I deserve
And touch my body.

I'm a treat you like a teddy bear
You won't wanna go nowhere
In the life of luxury
Baby just turn to me
You won't want for nothing boy(Nooo)
I will give you plenty joy

Touch my body
Put me on the floor (throw me on the floor) Wrestle me around
Play with me some more
Touch my body
Throw me on the bed
I just wanna make you feel Like you never did.
Touch my body

Let me wrap my thighs (let me wrap my thighs, around your waist for just a little taste)
All around your waist
Just a little taste
Touch my body

Know you like my curves (I know you like it)
Come on and give me what I deserve (Give me what I deserve babe)
And touch my body.

Oh yeah oh yeah oh yeah (Yeah, yeah)

Oh yeah oh yeah (every little way you like to touch my body baby)

Touch my body (yeah Yeah ooh ooh baby... Oh Oh, ooh ooh baby)

Touch My Body (uh Uh ooh ooh ooh)

Touch My Body (come on Give Me what I deserve... Oh)
